

Dear Parents

### **Re: Schedule of Voluntary Contributions and Charges 2023**

The Mosman Park Primary School Board has endorsed the schedule of Contributions and Charges for 2023. The schedule is broken into five sections and will allow you to calculate all costs that may be incurred throughout the school year.

#### **School Voluntary Contribution - \$60 per student per year**

The total amount of contribution parents / caregivers is being asked to pay is set at \$60 per student which is in line with the School Education Regulations 2000.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to supplement the funding gained from other sources, including the State and Commonwealth Governments.

#### **Schedule of Contributions and Charges**

The charge schedule below shows the costs associated with special programs such as excursions and other optional activities. The amounts shown are the **maximum** charges for scheduled activities throughout the year. There are two types of charges: charges for Educational Activities and charges for Specific Programs.

Each child will be engaged in a variety of activities associated with education programs (e.g., excursions, visits, swimming). Charges for these programs vary from year group to year group depending on the nature and range of activities.

#### **Voluntary Approved Request**

Other Voluntary Approved Requests at Mosman Park Primary School include: -

- 1) P&C Voluntary Contribution which has been set at \$80 per family.
- 2) P&C Canteen Contribution which has been set at \$80 per family.

The P&C supports the school to offer a large range of services, programs and resources that are more than what the school could offer with only \$60 School Contribution and Government funding. Examples of this support includes curriculum resources, interactive whiteboard replacement, library book purchases, performing arts and specialist programs.
