Newsletter #5 6 April 2017

### FROM THE PRINCIPALS

Our first term is drawing to a close and what a busy and active term it has been. We started the year with swimming lessons for all Year 2 to 6 classes and have also enjoyed the House swimming carnival as well as the Interschool swimming carnival. Congratulations to all of the students who have been participating and especially to our Interschool competitors who performed to the best of their ability and helped us to achieve third place overall.

This morning's assembly acknowledged students from across the school that have been achieving great results both academically and socially. While these students were awarded with a Merit Certificate there are many other students across the school who have also been trying really hard and achieving personal goals across a range of areas. Congratulations to all of you for the work you have done this term.

Our School website is currently being redeveloped and we are looking forward to the new site being available mid-way through next term. We are currently updating all of the published Policy documents and will be replacing those that are not the current version. In the meantime if you have any queries around School Policies please contact us directly. We will also be publishing our 2016 Annual Report in the upcoming weeks. The Report is currently being finalised and was endorsed by our School Board at last week's meeting.

We wish everyone a very relaxing and safe holiday break and look forward to seeing everyone again on Wednesday 26th April.

Alison Robb and Monique Smith

## KINDY NEWS – CHICKENS

We had Living Eggs at the Kindy. The children were lucky enough to see baby chicks hatch out from the eggs. We had lots of fun observing, describing and drawing the chickens but our favourite part was holding them.

## JUNIOR HOUSE SWIMMING CARNIVAL

The Year Ones had an awesome time at the swimming carnival! The favourite races were the piggy back race and the lollipop race. Thanks to all the parents who helped us out on the day.

## CREEC EXCURSION – YEAR 4

Last Friday we went on a big bus ride to Canning Vale Eco Education Centre.

We learnt about worm biology, life cycles and things that we should put in our own worm farms. We also learnt how to recycle.

We listened to a talk about water saving to help the planet grow.

We learnt about dolphins and dolphin water in the Swan River and becoming a Swan River Guardian.

Have you ever wondered what those holes are at the edge of the footpath? The storm drains carry rain water off the street and into streams and rivers.

There will be a Clean School Workshop to help people stop littering and to clean up litter when they see it on the floor, ground or anywhere really. For further information [www.kabc.wa.gov.au](http://www.kabc.wa.gov.au)

## SCHOOL ENTRY HEALTH ASSESSMENT

All children in Western Australia are offered a health assessment during their first year of primary school. This usually occurs in kindergarten and is provided by the local Community Health Nurse. At Mosman Park Primary School, the Kindy assessments start in Term 2 and finish Term 3.

The assessments are simple, standard tests which are non-invasive, quick and easy. The tests screen for problems which can be addressed, if picked up and treated early. The tests include:

- vision checks
- developmental evaluation according to parent responses on the form
- teacher and nurse observations
- any other health, development and wellbeing concerns raised by parents.

If the test results for your child suggest there may be a problem, Deb Aggett, the Community Health Nurse will ring you to talk about further assessment and possible referral. The tests do not diagnose a condition.

This year, hearing, ear health, weight and height measurements will not be completed routinely, however if you have any concerns regarding your child's hearing or growth, please indicate your concern on the form and the Community Health Nurse will contact you to discuss.

Your child's results will be sent home after their health check has been completed. Results are always treated confidentially.

School Entry Health Assessment forms are currently being distributed for parents to complete. **Please complete the form and sign the front page where indicated. Return it to the school office or class teacher as soon as possible.**

Please phone if you wish to discuss anything to do with the School Entry Health Assessment.

## EAGLES ROCK MY SCHOOL PRESENTATION

On Tuesday 4th April, we had a visit from some West Coast Eagles players to discuss healthy eating, active lifestyles and teamwork. The team mascot, Rick the Rock, also came and helped entertain everyone, including a running race featuring two students who were the clear winners!

The Eagles have kindly donated a whole lot of team merchandise to the school, including new footballs and player posters.
