## FROM THE PRINCIPALS

Congratulations to all of our Year 3 – 6 students for their amazing performances in our recent musical 'The Big Time'. Every single participant gave their absolute best over both nights and we are all so proud of their efforts and dedication.

A huge thank you to our incredibly talented and creative Music Teacher, Sarah Orton. It was such a huge undertaking to write and produce the musical but by doing so Sarah ensured that every student had a part that suited them exactly. I would also really like to acknowledge the fabulous organisational skills of Dhana Richardson who helped to make sure the dream became a reality!

There are also many parents and staff who helped as well with the costumes, props, choreography, singing, hair and make-up, catering and bar, ticketing, photography and video, back stage support....and the list goes on. This was a huge community effort and we are all so grateful to every person who helped make the Musical the amazing success that it was. I have received so much positive feedback from people who enjoyed the show.

Applications for Gifted and Talented Secondary Selective Entrance Programs are now open. For children with exceptional academic ability and creative talent, these academic, arts and languages programs are designed to challenge them to achieve at the highest level.

Please bring in the following equipment or consumables to the class teacher or put them on the table in the computer lab. Some examples of items we need:

- **Recyclable Cardboard** e.g. paper towel rolls, empty boxes, etc.
- **Recyclable Plastics** e.g. bottles, lids, ice-cream containers, yoghurt containers, etc.
- **Lego/Duplo**
- **Fabric**
- **Unused smart phones (for Virtual Reality lessons)**

These items will be used in 2018 in the newly created Makerspace, which is an area for kids to gather together to create, invent, tinker, explore and discover using a variety of tools and materials. Don't forget to keep collecting over the Christmas holidays.

### PARENT CARS IN THE STAFF CARPARK

Please be reminded that there is no driving into the school grounds to pick up or drop off students. This safety reminder includes days that are wet.

### DOGS ON SCHOOL GROUNDS

If you bring your dog into the school grounds, please ensure that it is on the lead at all times. Please be mindful that dogs are not allowed in the Pre Primary fenced play area.

### MATHEMATICS – ROOM 8

Room 8 looked at the capacity of various containers in both millilitres and litres.

We discovered that 2 x 500ml cottage cheese containers held the same volume as a one litre bottle.

**Kerrie Lynch, Teacher**

### 'GOOD SAMMY' PROP BOX FROM THE MUSICAL

Our fabulous musical prop of a Good Sammy's bin (thanks to David Sewell for his wonderful construction) has been given a new lease of life. The Good Sammy's loved it so much (especially the lightweight construction) they picked it up from the school to use in their marketing and community education programs. Special thanks to John Weatherhead for organising this.

### JAPANESE STUDENTS

For the past two weeks we have welcomed a group of eight Japanese students to our school from Gunma prefecture, about 2 hours from Tokyo. They have been hosted by eight

wonderful MPPS families and, from the reports I have heard, their out-of-school time has been jam-packed with amazing Aussie experiences including tree climbing in Dwellingup, trips to the beach, days at Rottneest, Fremantle and much more! In class, they have been involved in activities such as *jankenpon*, *origami*, *kendama*, *kami fusen*, *Kahoot*, baking Vegemite pastries and performing the *soranbushi* dance. Already I have seen tears from some of the Japanese students who are reluctant to leave their adopted families and I'm sure there have been some life-long friendships made. *Arigatou* to everyone for your support of this important aspect of the Japanese program.

**Blair Sensei**

### RSPCA FUNDRAISER

Congratulations to all students who raised an amount of \$309.50 toward the prevention of cruelty and neglect to animal welfare. The RSPCA really appreciates your support.

### 'THE BIG TIME' MUSICAL!

It does indeed take a village to bring up our children and our teachers and community joined forces to create a spectacular performance and experience for our children. In true Mosman Park fashion, we all rallied together to stage this massive event. This defines our school, the community spirit, sharing a common love for our children.

Thank you to the production team which began in March with Amanda Cullity foregoing a full-time job to take on the head of costumes and Dhana Richardson in the role of Producer. Leonie Harris joined forces in costumes, Kate Emslie as choreographer and Jamie Rhodes as Co-writer, video producer and music production. What evolved over these months turned into a magical, crazy time travelling 80's adventure. We did this together and I am honoured to work with such a dynamic, creative, efficient and beautiful group of people.

Thank you also to Frankie and Rowan who interpreted and brought the script to life for everyone to enjoy.

However, it all comes down to the students, who brought these characters to life with such passion, enthusiasm and hard work. I am so proud of you all, and truly believe our school to be the "best in the world". **Sarah Orton**

### 2018 BOOKLIST COLLECTION DATE

Please collect pre-packed books from the School Library on **Thursday 30 November between 8.00am and 9.30am.**

*If you are not available to attend the pick-up day, please arrange for a friend or relative to collect the books.*

### COMMUNITY GRANT FROM ALCOA

We thank Kevin Williams and his team of 'Alcoans' who kindly gave up their time over the weekend to participate in a 'busy bee' in our school garden area. They were also instrumental in obtaining an outdoor learning area outside our library.

To start with, I think that the benches provide a much needed seating area and also help hearing and non-hearing students communicate. It is a great project and is a very good thing not just for us, but the whole school. And last, but not least, a very special thanks to my dad for coming up with the idea and bringing it into real life.

**Finnbar Williams – Year 4, Room 3**

### 'HEALTHY HAROLD' LIFE EDUCATION VISIT

When Harold came to visit we discussed what it meant to be kind and how we could show kindness towards others. We made an iMovie documenting what kindness means to us. We plan to make all children feel welcome at Mosman Park Primary by practising kind words and actions. **Pre Primary, EC2.**

## CHAPLAIN'S CORNER

Dear Parents and Carers,

THANK YOU from OPERATION CHRISTMAS CHILD SHOEBOX APPEAL Your donations for the shoeboxes were so generous, given the short amount of time we had to fill

them. Children in third world countries will be so blessed to receive these special gifts which were packed with love

and friendship. They will be so excited to use the things you have donated for their care and education. Thank you to all who gave so generously. ☺ If you have not had the chance to donate then \$10 to send a box would be very helpful, as the postage for some of the boxes have not been paid yet.

Experiential Learning – with YouthCARE Outdoor Activities Luv U 2 join us on Thursday afternoons at 3.15pm till 4pm. It's free of charge so join in when you can. There is no need to attend every week which

gives flexibility when other things come up. All you need to do is fill in the new Consent form for your child. All students from Year 1 – 6 are welcome to participate and learn about how to become aware of their feelings and how to manage them better. It's lots of fun and helps students with developing their social and emotional intelligence.

Bandanna Day Wednesday 25th October – Thank you for getting behind this worthy cause with such enthusiasm!! If your child has not yet paid for their \$5 Bandanna please send it to school with them as soon as you can so we can make the donation to those children and young people living with Cancer.

Please call in or email to ask any questions you may have personally and/or about these activities. Thank you for your support.

Blessings, Rhonda Miller, YouthCARE School Chaplain
