Newsletter #5 12 April 2018

FROM THE PRINCIPALS

We would like to acknowledge and thank all of our students and families as we finish a very busy first term. Our Year 3 and 5 students have recently participated in the NAPLAN online preparation program in readiness for sitting NAPLAN online next term (commencing 15 May). Many classes have been involved in excursions with highlights including an excursion to the zoo for our Year 5/6 students and a trip to Herdsman Lake for our Year 1's.

Our 2017 Annual Report has recently been endorsed by the School Board and will be available on our school website within the next few weeks. Our school website www.mosmanparkps.wa.edu.au contains a wealth of information and regular updates about school activities.

Earlier in the year we were delighted to hear that we had received a grant to refresh our student toilets. This will be very welcome news for everyone, especially our boys! This work will begin during the school holidays with replacement of the actual toilets. The rest of the work (painting, grout cleaning etc.) should be completed over the course of Term 2.

We hope that everyone has a relaxing and safe holiday and we look forward to seeing you back at school on Monday 30th April.

Alison Robb and Monique Smith

It was a fantastic weekend of competition and fun for all involved. Congratulations Lachie.

COLES SPORTS FOR SCHOOLS 2018

Earning of Coles Sports for Schools vouchers has finished at Coles stores.

PLEASE BRING YOUR VOUCHERS IN TO SCHOOL AS SOON AS POSSIBLE. The final mailing of vouchers by schools is Thursday 14th June. Sporting equipment is then selected and delivered to schools in Term 3.

WASTE FREE WEDNESDAY

What is Waste Free Wednesday? This is where your child brings in a lunchbox that contains no waste/rubbish each Wednesday (except for fruit and vegetables' scraps).

How can I achieve a WFW? By using reusable food containers and wraps to put your food in, using refillable water bottles and using reusable cutlery.

What are the benefits of WFW? It helps keep our environment clean and protects our wildlife, reduces the amount of waste going to landfill and thus greenhouse gases, it is also more cost effective (buying in bulk) and it helps reduce the amount of resources required to produce packaging in the first place. Last but not least, there are awesome prizes to be won if your ticket gets drawn at Values Assemblies.

Thank you for supporting your child's participation in Waste Free Wednesday. Any questions, please contact the school.

MR CHICKEN ARRIVES IN MOSMAN PARK!

Leigh Hobbs, best-selling author of the iconic Old Tom, Mr Chicken and Horrible Harriet picture books, and Australian Children's Laureate for 2016-2017, entertained Mosman Park Primary School students and staff on Wednesday, March 21.

Students from Pre-primary through to Year 3 got the opportunity to draw Horrible Harriet and Mr Chicken, and create their own characters, under the guidance of the very entertaining and talented Mr Hobbs. Then the children settled back to watch the pilot episode of the hilarious Old Tom TV series. Leigh Hobbs generously signed copies of his books that were purchased by students, along with copies that are in our school library. Look out for them!

Quotes from Year 2, Room 5

I really liked the visit and it was fun drawing my own character.

Sienna Bennetts.

CHAPLAIN'S CORNER

Hi Parents and Caregivers,

Harmony Day held last Wednesday 28th March was a great success. Thank you to those who were able to assist their children in understanding their culture and participating in the festivities. We enjoyed a lunch time of fun activities and multicultural dress. Please take the time to look at the photos, on the Library Photo Wall, of students in their national costume representing the countries they have a connection with.

- Grief and Loss program will begin next term so please let me know if you would like your child/ren included in the program. If you have any questions, please contact me via the school or my contact details below. This program is dependent on the numbers in each age range. A minimum of 3 and a maximum of 5 students per age group ie: PP & Year 1 or Year 1 & 2 etc to Year 6. Please complete a permission slip found in reception and return it to me.

I am also offering a **Netball Clinic** for beginners from Year 1 – 3 on Thursday afternoons. This will be a 6 week program beginning in week 2 of Term 2 and will only go for 45 mins from 3.15pm – 4.00pm on the Netball courts behind the Canteen. (in the undercover area if raining) Students will learn the basic skills of the game ie: throwing, catching, stepping rule, player's positions, rules and play game related activities. It is fun and they gain the concept of team play, building confidence and cooperation skills. Please complete a permission slip found in reception and return it to me.

I am in the school every day, so if you have any other concerns you would like to discuss, I look forward to hearing from you and I will endeavour to assist in any way I can ☺

INTERSCHOOL SWIMMING CARNIVAL

The Interschool Swimming Carnival was held at HBF Stadium last Thursday, 29th March.

Freshwater Bay PS took overall 1st place. Mosman Park PS was 5th overall, however there was only 1 point between 3rd, 4th and 5th place. We came 6th in the Meritorious Shield. Our swimmers tried their very best, had fun and showed great sportsmanship.

Thank you to Geoff Davey and all the other staff and parents who helped with the early morning swimming training at St Hilda's pool.

SCHOLASTICS BOOKCLUB

Congratulations to Room 3 who won a bag of books for their classroom for the highest number of orders from Issue 1. The library and class teachers were able to order over \$650 worth of books for the school from the orders that came in. Everyone benefits from the new books in the library to borrow, so keep your eye out for Issue 3 next term. I wonder who will win the bag of books for Term 2?

Happy reading,

KAPTURE – KINDERGARTEN PHOTO DAY

Kapture Photography took Kindergarten student photos last week. If you have any queries or have missed placing an order, please contact them on 9240 1714.

RIDING TO AND FROM SCHOOL

Riding bicycles to school without adult supervision is only recommended for children from Years 4 – 6.

The reason for this reminder is that a very young MPPS child on a bike was riding home from school yesterday and was reported to be weaving repeatedly, **WITHOUT LOOKING**, out onto the middle of the road from the footpath.

ZOO EXCURSION YEAR 5/6 CLASSES

On Monday, 9th April the Year 5/6 classes went to the Zoo. We learned about the Asian Trek and some students got to see the new baby giraffe. Each 5/6 class received a Perth Zoo fundraising box to save wildlife.

The reticulated python called Cuddles was very interesting being 4.8 metres long. He had a strange story. We all had so much fun at the Zoo and saw many amazing animals.

By Frankie Romero, Year 6, T13.
